Dear Parents,

**Re: Primary 2 Holistic Development Plan (Term 2)**

The school would like to provide you with details on the Primary 2 Holistic Assessment Plan for Term 2 comprising the varied modes of holistic assessments such as class activities and individual tasks that will be carried out under non-timed conditions during curriculum time. The objective is to allow our teachers to gauge how well students have grasped the learning outcomes to provide qualitative feedback for improvement.

As all the tasks are non-weighted, there will not be a standardised day for the level to complete the holistic assessment. Teachers may carry out the tasks on any day in the stipulated week, taking into consideration the class' schedule for other learning activities such as learning journeys, spelling and school celebrations. We aim to develop our students' intrinsic motivation for learning as they focus on their own learning pace and seek improvement from teachers' feedback.

On-going formative assessment such as peer evaluation, self-checklist, rubrics, worksheets, homework and class discussion will enable our teachers to provide the qualitative feedback through the Holistic Development Profile (HDP) at the end of Semester 1.

The holistic assessments for the respective subjects in Term 2 are as follows:
